

Ghostwriting:

Under the recommendation issued by the Ministry of Science and Higher Education, defining the elimination of ghostwriting phenomena (nondisclosure of authorship or joint authorship of a text) and guest authorship (addition of co-authors whose input to the text is marginal or none), the editorial board of “Polish Jewish-Studies” call on all authors for honest and diligent presentation of actual contribution to the text. The information concerning above-mentioned issues should be send to the address of editors in the form of written statement, including one’s affiliation. All instances of violation of law will be disclosed.
