# OPERACJA MARKET "GARDEN" 1944

TOMASZ ROBACZEWSKI - HUBERT RONEK

We would like to invite you to watch a short animated film based on *Operation Market Garden*, the 6th part of "The Antek Srebrny War Odyssey" comic series.

This time we join Antek in "Ape Wood" in... Scotland, where he goes on a parachute training course. Then, as a scout of the 1st Polish Independent Parachute Brigade, he takes part in Operation Market Garden, the greatest airborne operation of the Second World War. Is he going to fight for the Arnhem Bridge? Is it really hard to jump into Field Marshal Model's portrait? What is the secret of Dr Gruber's blueprints?
