Trails of Hope. The Odyssey of Freedom exhibition

During World War II, we fought on all fronts, protecting dignity and freedom, side by side with other enslaved nations. We would like to remind the world about the heroic deeds of our airmen in the Battle of England, as well as forgotten Polish soldiers from Tobruk, Narvik, Monte Cassino and many other battles. See the "Trails of Hope. The Odyssey of Freedom" exhibition and find out more! It will be available until 28 April 2022 in the courtyard of the Royal Castle in Warsaw, as well as in Targ Węglowy (a square by Brama Wyżynna) in Gdańsk.
