Andrzej Grajewski, Michał Skwara, *Agca non era solo. Sul coinvolgimento dei servizi segreti comunisti nell'attentato a Giovanni Paolo II*, Katowice–Warsaw 2020, pp. 456, ISBN: 978-83-8098-903-0

The publication (the Italian language version of the book published by the IPN Katowice in 2015) has a unique character. It contains a procedural document in the form of the decision to discontinue the investigation by the prosecutor, and a historical article which is an in-depth historical analysis. Such a bipartite arrangement of the book (documentation and analytical) is not a common publishing practice.

The book is an attempt to present the backstage, preparations, course and consequences of the attack on John Paul II of May 13, 1981.
