Extermination of Jews in the Rzeszów region. Album of Remembrance ed. by Elżbieta Rączy, Igor Witowicz, Rzeszów–Warsaw 2004, pp. 184

The album contains archival photographs that depict everyday lives of the Jewish community in the Rzeszów Region before the war and during German occupation, as well as contemporary photographs showing the sites of mass murders and – often forgotten – mass graves. Most of the photographs from the war times were taken by the Germans, who did not hesitate in recording the crimes they committed.
