Operation "Market Garden" 1944

This part of Antek's adventures will take us to a "monkey grove" in... Scotland, where Antek undergoes a fast-track parachuting course under the watchful eye of Capt. Soursoup so he can take part in the largest airborne operation of World War II - Market Garden - as part of Gen. Stanisław Sosabowski's First Independent Parachute Brigade. Will Antek be directly involved in the murderous battle to gain control of a bridge on the Rhine? Is it difficult to land inside a painting of Generalfeldmarschall Walther Model? What secrets do the documents of Dr Gruber hide? You will find the answers to these and other questions in Part 6 of the Wartime Odyssey of Antek Srebrny 1939-1944.
