Statement by the Council of the Institute of National Remembrance - Commission for the Prosecution of Crimes against the Polish Nation of 26 May 2020

On 1 August 2020, most communist crimes will expire. The IPN's Council believes that crimes committed against Polish citizens by the authorities of the Polish People's Republic should be settled and judged. That is why we are asking the Sejm and the Senate of the Republic of Poland to take a legislative initiative which would be aimed at the extension of the punishment period for these crimes.
