On 17 May 2023, the IPN press conference of the Deputy President

Mateusz Szpytma, Ph.D., and the Archive Director Marzena Kruk was held at the IPN Archive. During the conference Mr. Bartłomiej Stanisław Moszoro, Honorary Consul of Poland in Argentina, donated his family memorabilia to the IPN Archive Full of Remembrance project.

These memorabilia will help us in our work: exhibiting and publishing them in the "Trails of Hope. The Odyssey of Freedom" initiative and archival projects. We will present them to everyone interested and get others interested in history,

said the IPN Deputy President Mateusz Szpytma, Ph.D.

The collection comprises documents of Mr. Moszoro's parents, as well as letters, photos, post cards, army IDs, dog tags and films shot by a friend of the family Eugeniusz Siedlecki in Scotland in 1940s, which recorded military exercises, parades, ceremonies, and visits of state officials.
