An award for the IPN production "The Unconquered"
We have some great news ! On the eve of the premiere of the new part of "The Unconquered" entitled "The Unconquered. Trying Times", our animated short film has received an award in the postproduction category during Connections New York taking place on 5-6 June 2019.

“Poland’s heroic underground struggle for independence gets a breathtakingly modern interpretation in this epic short for The Institute of National Remembrance. Dark and dramatic, the 4-minute animated prose gives Poland’s somber history some well-deserved poetic justice.”

This is very interesting, because the film's competitors were mainly advertisements . See for yourselves who our competitors were:
