Communiqué of President of IPN Communiqué of President of IPN regarding launching a work regarding launching a working group which will carry out a query on possible connections of General Wojciech Jaruzelski with Polish communist military special services

President of the Institute of National Remembrance – Commission for the Prosecution of Crimes against the Polish Nation has informed that he had set up a working group which is going to carry out a query in the archival documents with regard to the possible connections of General Wojciech Jaruzelski with Polish communist military special services.

After the query has been carried out and provided any further documents have been found, they shall be transferred to IPN commission, set up for this particular purpose. The results of the commission's work shall be given to the public opinion.
