"Institute of National Remembrance Review" 4/2021-2022

The leading theme of the fourth issue of the "Institute of National Remembrance Review" is the Great Patriotic War of Soviet Union, especially its contemporary and recent narrative and propaganda contexts. The issue contains also the presentation of the one of the most important Polish institutions of remembrance: Katyn Museum in Warsaw, the branch of the Polish Army Museum.

[Zawartość numeru - Table of contents.](#)
